50th Anniversary Commemorative Medallion

Cost : \$50.00 (Gst incl)

On the 19th September 1959 the inaugural meeting of the NZ Antique Arms Association was held in the T & G Buildings, 190 Hereford Street, Christchurch. That small band of enthusiasts probably did not envision the organisation lasting for another 50 years at that time, let alone becoming a National Association with some 900 members. This striking Gold commemorative medallion (same size and profile as the Perham medallion), will give this historic occasion a 'collectors' memento for years to come.

*Gold plated brass medallions 52mm x 3mm. Comes in a presentation case as per photo
Orders are now being taken for the medallion. Once the orders have closed there will be no surplus stock for sale.*

We will be ordering against paid 'orders in hand' only. This is a 'once only' offer
